PROVINCIAL SECRETARY.

RE RICHMOND MUNICIPALITY.

The Hon. the Provincial Secretary, Victoria:

SIR,—I have the honour to notify you, in terms of sub-section (b) of section 137 of the "Municipal Act, 1892," that in course of my audit of the accounts, &c., of this Municipality to 31st December, 1892, irregularities are disclosed as follows:—

In November, 1889, a sum of \$300 was authorized by the Council, and a cheque drawn accordingly, to be placed to a sinking fund, under "Loan By-Law, 1888," to be opened at the Bank of British Columbia, New Westminster. Such account was never opened, the cheque was used as cash and paid into the general account at the bank with ordinary revenue collections, consequently the equivalent value must be in the hands of the late Clerk and Collector (O. D. Sweet).

Fifty dollars appears as overpaid, or twice paid, to a Chinaman (Ah Lin) in November, 1890. The cheque for it was signed by J. W. Sexsmith, Reeve, and O. D. Sweet, C. M. C., and is not authorized by the Council. Mr. Sweet has since stated in writing that "this was an error and ought not to have occurred."

In September, 1891, a cheque for \$50 was paid to O. D. Sweet, bearing on its face a memorandum "Bank Com. on Draft." The bank repudiated this and state that whatever commission it was entitled to in the matter was deducted in crediting the Municipality's bank account with the proceeds of the debentures to which the transaction referred. A first interview with Mr. Sweet only elicited information in accordance with the memorandum on the cheque, but subsequently, when being informed that the bank repudiated it, he admitted he had got cash for it, and that it was "a sort of refund," which is difficult to understand.

At the Council meeting held 18th October, 1890, a report is entered showing certain work completed by Geo. Oliver and recommending payment of the balance, \$557. A cheque was drawn for that amount, dated the same day, and bears the endorsement of G. Oliver and O. D. Sweet, and is stamped as paid by the bank "15th January, 1891." Another cheque in favour of Geo. Oliver for \$150, signed by J. W. Sexsmith, Reeve, and O. D. Sweet, C. M. C., dated the day following (19th October, 1890,) also appears, although there is no minute or authority of the Council for it. The only explanation with regard to it, from the best evidence obtainable, is that this \$150 was given as part payment of the \$557, and consequently makes \$150 more paid out than the minutes warrant. The Reeve (Mr. Sexsmith), in answer to questions at an electioneering meeting, stated that the \$150 cheque was signed because there was not sufficient funds in the bank at the time to meet the \$557, although he ought to have known, if he didn't, that the Clerk and Collector must have had some thousands of dollars of the Municipality's money in hand.

On the 30th June, 1891, a cheque for \$100, drawn and signed in the same manner, was also given without warrant or authority. A sum of \$66.15 is due from the late Clerk and Collector for interest charged by the bank on overdraft prior to 31st December, 1891, caused by his improperly holding moneys for his own use which ought to have been paid into the bank. The above items, amounting to \$716.15, have been entered as a counter-claim against O. D. Sweet in a County Court suit now pending.

In consequence of the Reeve having set at defiance the orders of the Council to sign certain cheques for the transfer or refund from one account to another (for the avoidance of bank overdraft) a sum of \$63.46 is estimated as due from him to meet the bank's charge of interest in the interim, until a by-law authorizing another person to sign could be arranged and passed. This amount has been surcharged on Mr. Sexsmith.

In or about the month of May, 1891, ex-Councillor Wm. Nicoll, acting as a Board of Works in the ward he then represented, caused work to be done on his own private property for which the Council paid \$60 on the 23rd May, 1891. This being regarded as contrary to law has been surcharged on Mr. Nicoll.

Through casual interrogation as to the meaning of certain somewhat vague minutes, and enquiries at the bank in Vancouver, it is discovered that on the 17th August, 1891, J. W. Sexsmith, as Reeve, accepted an order for \$1,313.02, made by McLean Bros., in favour of Leamy & Kyle, which is held by the Bank of British Columbia, Vancouver, for value advanced. Mr.

Sexsmith stated that \$800 had been paid on account of this by McLean Bros., but such is not the fact. The bank has been notified as to the unlawfulness of this, as in addition to its not bearing the necessary seal of the Corporation it was never authorized by the Council.

In 1891 a by-law, called the "Steveston Sidewalks By-Law," was passed to raise a sum of \$1,500 on certain lots in Steveston Townsite, to be paid up in one sum from each lot benefitted by the sidewalks. This work was at once proceeded with and paid for out of the general revenue, and although it is now discovered that the cost was \$1,727 according to price and measurement of the work, and up to this time only \$1,037 has been paid, leaving a balance of \$690, which has been surcharged on W. H. Steeves, he being the person by whose order and direction the work was done, and there being grave doubt whether it can be collected, some of the work being done on avenues not mentioned in the by-law, and others provided for in the by-law being left out altogether.

"Steveston Local Improvement By-Law, 1891."—The work under this has been conducted in a most erratic and unbusinesslike manner, and although specially and repeatedly notified to attend in conference, Mr. Steves, who had the direction of the work, has treated every notice with defiance; consequently, with the best evidence at command in his absence, a sum of \$338.92 is deemed to be unlawfully expended, and he is surcharged accordingly.

Attention having been called to alleged improprieties under the dyking contract with McLean Bros., under the "Lulu Island Local Improvement By-Law, 1891," the engineer in charge was written to and his reply indicated that the work was not being done according to plan and specification. The Council were therefore addressed by letter whilst in meeting assembled, with the result that Mr. Sexsmith (Reeve) and Councillor Mellis were appointed a committee to confer with the Auditor on the subject, but neither word nor line has been received from them, and Mr. Sexsmith has been heard to say that it was no use as they could not put in writing what was asked, viz.:—That the work was being done according to plan and specification. The Council has, however, taken the matter up and special negotiations are going on in reference to it, but it may be remarked that a sum of \$5,000 was paid to the contractors in September, 1891, before any work had been done, and in fact they appear to have been paid in advance for all work prior to April, 1892.

The moneys raised by debentures under "Richmond Loan By Law, 1891," has been spent regardless of the conditions of the by-law, and may be summarized as follows:—Ward I. was awarded \$6,026.66 and \$6,007.92 has been expended, and there is still owing for work done \$762.22, making an excess of \$743.48, but in this ward it should be mentioned that the by-law stipulated that the appropriation should be divided between the two main roads on Sea Island, whilst the Councillor (W. Nicoll) then in charge of the work, had nearly all spent on the one leading to his own residence. Ward II. was apportioned \$4,655.66, and there has been expended \$5,591.84, being an excess of \$936.22, and there is still owing for work done \$3,396.78, making a total overdraft of \$4,333.00. Councillor Mellis, who had charge of this work, has been surcharged with the \$936.22. Ward III. was allotted \$5,969.37, out of which has been paid \$5,769.16, and there is still owing \$2,908.63, making an overdraft of \$2,708.42. Ward IV. was given \$5,813.77, out of which has been disbursed \$3,038.11, leaving a credit balance of \$2,775.66. Ward V. got \$6,535.44, of which \$5,920.64 has been paid out, and there is \$439.02 still owing, leaving a credit balance of \$175.78. Thus aggregating an over-expenditure of \$7,784.90 in Wards I., II. and III., whilst only \$2,951.44 remains to the contra in Wards IV. and V.

About the middle of 1891 Mr. Steves offered a site—some 30 feet by 40 feet—for a lock-up, and produced a tender for the erection to cost \$195. The Council resolved to accept this and to pay the \$195 on the title deed being handed to the Council which, as indicated by the minutes, was done on the 1st August, 1891, and the money paid, but it now transpires that although the Corporation has spent in all about \$250, the title is of no value and cannot be registered because of heavy encumbrances.

The practice has prevailed of paying out moneys without taking receipts—cheques payable to order are not a satisfactory settlement of an account—but in this instance cheques are given payable to bearer and no receipt taken. The present Clerk had erred slightly in this respect, but the late Clerk had, during 1891,

allowed \$8,461.65 to be paid out by cheques payable to bearer without any receipt. He has, however, now signed a formal declaration to the effect that all the obligations of the Council referred to in the accounts purporting to be paid by the respective cheques have been fully discharged, and that the said amounts are for *bona fide* work done for the Municipality.

In terms of the respective Loan By-Laws on which debentures have been issued a sum of \$6,900 should 'ere this have been put aside as sinking fund, but nothing whatever has been done.

There is also a sum of \$2,526.42, being part of the principal sum raised under "Loan By-Law, 1888," which has been absorbed for purposes other than those stipulated in the by-law, and should be adjusted in fairness to the localities for whose benefit it was voted.

The books of accounts have been very imperfectly kept, in fact no cash book at all was kept during the last 12 months of the late Clerk's reign. There are six bank accounts open, and not one of them agrees with the fund it purports to represent.

I have the honour to be, Sir,

Your most obedient servant,

JOS. PEIRSON,

Auditor.

RICHMOND BY-LAWS.

A BY-LAW TO AMEND THE "LULU ISLAND LOCAL IMPROVEMENT BY-LAW, 1891."

WHEREAS a certain by-law, entitled "The Lulu Island Local Improvement By-Law, 1891," was passed by the Municipal Council of the Corporation of the Township of Richmond on the 11th day of April, A.D. 1891, reconsidered and adopted on the 18th day of April, A.D. 1891, and finally reconsidered and finally adopted on the 1st day of August, A.D. 1891, by the said Municipal Council, for authorizing the borrowing of \$50,000 for the purpose of dyking and draining the eastern end of Lulu Island lying east of Road No. 5, in said Municipality of Richmond, to comply with a petition signed by a majority of the owners of real property in said eastern portion of Lulu Island, and in accordance with a report of Messrs. Garden, Hermon & Burwell, Provincial Land Surveyors, whose services were obtained to report thereon, and who recommended the undertaking of the work as recited in the said by-law:

And whereas, by resolutions passed at a Court of Revision held by the said Municipal Council for the purpose of hearing complaints against the assessment made by the said Messrs. Garden, Hermon & Burwell, as shown in the schedule attached to the said by-law, certain of said sections were excluded from the scheme and certain other of said sections which were assessed at a full rate were reduced one-half of that rate, thereby reducing the amount of acreage liable for the cost of the said work and reducing the amount of the special rate required to pay interest on and sinking fund to repay the amount required for the construction of the said work:

And whereas the said by-law was not amended so as to correspond with such alterations as made by the said Court of Revision:

And whereas Mr. H. B. Warren, C. E., the engineer supervising the said work, having recommended the exclusion of a portion of Section 4, Block 3 North, Range 5 West, and the owners thereof having consented to such being excluded from the scheme:

And whereas it will require an additional sum of \$20,000 to complete the said work of dyking and draining, to pay the expenses incidental to and arising from the prosecution of the said work, and to pay the amount of shortage in the special rate arising as above indicated:

Be it therefore enacted by the said Municipal Council of the Corporation of the Township of Richmond that the said "Lulu Island Local Improvement By-Law, 1891," be and is hereby amended as follows:—

1. That the recommendation of Mr. H. B. Warren, C. E., in respect to the exclusion of a part of Section (4) four, Block (3) three North, Range (5) West, be and is hereby adopted,

2. That it shall be lawful for the Reeve and Clerk of the said Municipal Council to borrow an additional sum of (\$20,000) twenty thousand dollars on the credit of the said Corporation, being the funds necessary for the completion of the said work and purposes above recited, and place the same to the credit of the said Corporation at the Bank of British North America, Vancouver, for the purposes aforesaid, and it shall be lawful for the said Reeve and Clerk to issue debentures of the said Corporation to that amount in sums of not less than one hundred dollars each, and made payable on or before the fifth day of November, A.D. 1912, at the said Bank of British North America, Vancouver, the said debentures to be signed by the said Reeve and Clerk, sealed with the seal of the said Corporation and endorsed "Lulu Island Local Improvement Debentures," and shall have coupons attached, signed by the said Reeve and Clerk, for the payment of interest.

3. That the said debentures shall bear interest at the rate of five per centum per annum from the date of sale thereof, and such interest shall be payable half-yearly at the Bank of British North America, Vancouver, on the fifth day of May and the fifth day of November, respectively, in each year during the time the said debentures have to run.

4. That the Schedule A of the said "Lulu Island Local Improvement By-Law, 1891," shall be and the same is hereby amended so as to conform to the Schedule B of this Amendment By-Law, which Schedule B hereto attached shall be and is hereby declared to be the Schedule of said "Lulu Island Local Improvement By-Law, 1891," as amended by this by-law.

5. That for the purpose of creating a sinking fund for paying the sum of \$50,000 (less the amount assessed and levied under the said "Lulu Island Local Improvement By-Law, 1891," for the years 1891 and 1892 for that purpose) and the sum of \$20,000, being the amounts charged against the said lands so to be benefitted as aforesaid, and to cover interest thereon at five per centum per annum as aforesaid, the special rates as shown on the said Schedule B shall be assessed and levied in each year (over and above all other taxes and rates) in the same manner and at the same time as taxes are levied, beginning in the year A. D. 1893 and ending in the year A.D. 1912 upon the sections and parts of sections of land, as shown in the said Schedule B hereto attached.

This by-law, as provisionally adopted by the said Municipal Council on the 19th day of November, A.D. 1892, was published for four consecutive weeks in the British Columbia Gazette and the Vancouver World, a newspaper circulating in the said Municipality of Richmond, and is amended in accordance with the decisions of the Court of Revision held in pursuance to notice appended to the said provisionally adopted by-law when so published.

This by-law may be cited for all purposes as the "Lulu Island Local Improvement By-Law, 1891, Amendment By-Law Number One."

This by-law shall come into force and effect on the 11th day of February, A.D. 1893.
Reconsidered and finally adopted by the said Municipal Council this 4th day of February, A.D. 1893.
Signed and sealed this 4th day of February, A.D. 1893.
